Dear Bud,

I want to thank you for the major role you played in the recently completed Colloquium on Future Space Missions. The session which you chaired was well received and I understand that the discussion was quite stimulating. Many of the comments which I have received indicate that the Colloquium was successful, and any success was in large part because of the contributions made by you and the other moderators.

A summary report on the Colloquium is still in preparation, but we hope to get a copy out to you shortly.

I enjoyed the opportunity to have some discussion with you at dinner, but unfortunately we had to share conversation time. I welcome the chance to return the dinner I owe you the next time you are in town. I look forward to seeing you then. Warm regards.

Sincerely,

John N. McManon
